

Technology writer

Surrey based Kadium Ltd, publisher of Networking+, Eastern European Wireless Communications, Northern African Wireless Communications and Southern African Wireless Communications magazines, needs a bright and ambitious technology writer. Applications from candidates who lack formal journalistic experience but are savvy with wireless communications technology at both operator and end user level and/or broader IT technology, will be considered.

The ideal candidate will have or be able to demonstrate:

- ★ Copywriting skills
- ★ The ability to work accurately to tight deadlines
- ★ PC literacy
- ★ Degree level education
- ★ Willingness to travel

This position will command an excellent salary that will reflect your experience as well as on going training and the benefits of working for a small company.

Please send a CV and covering letter quoting ref FIA/1 to the Editor, Rahiel Nasir: rahieln@kadiumpublishing.com

Closing date: 10 February 2007
